THROUGH TIME

OUR FIRST STEPS

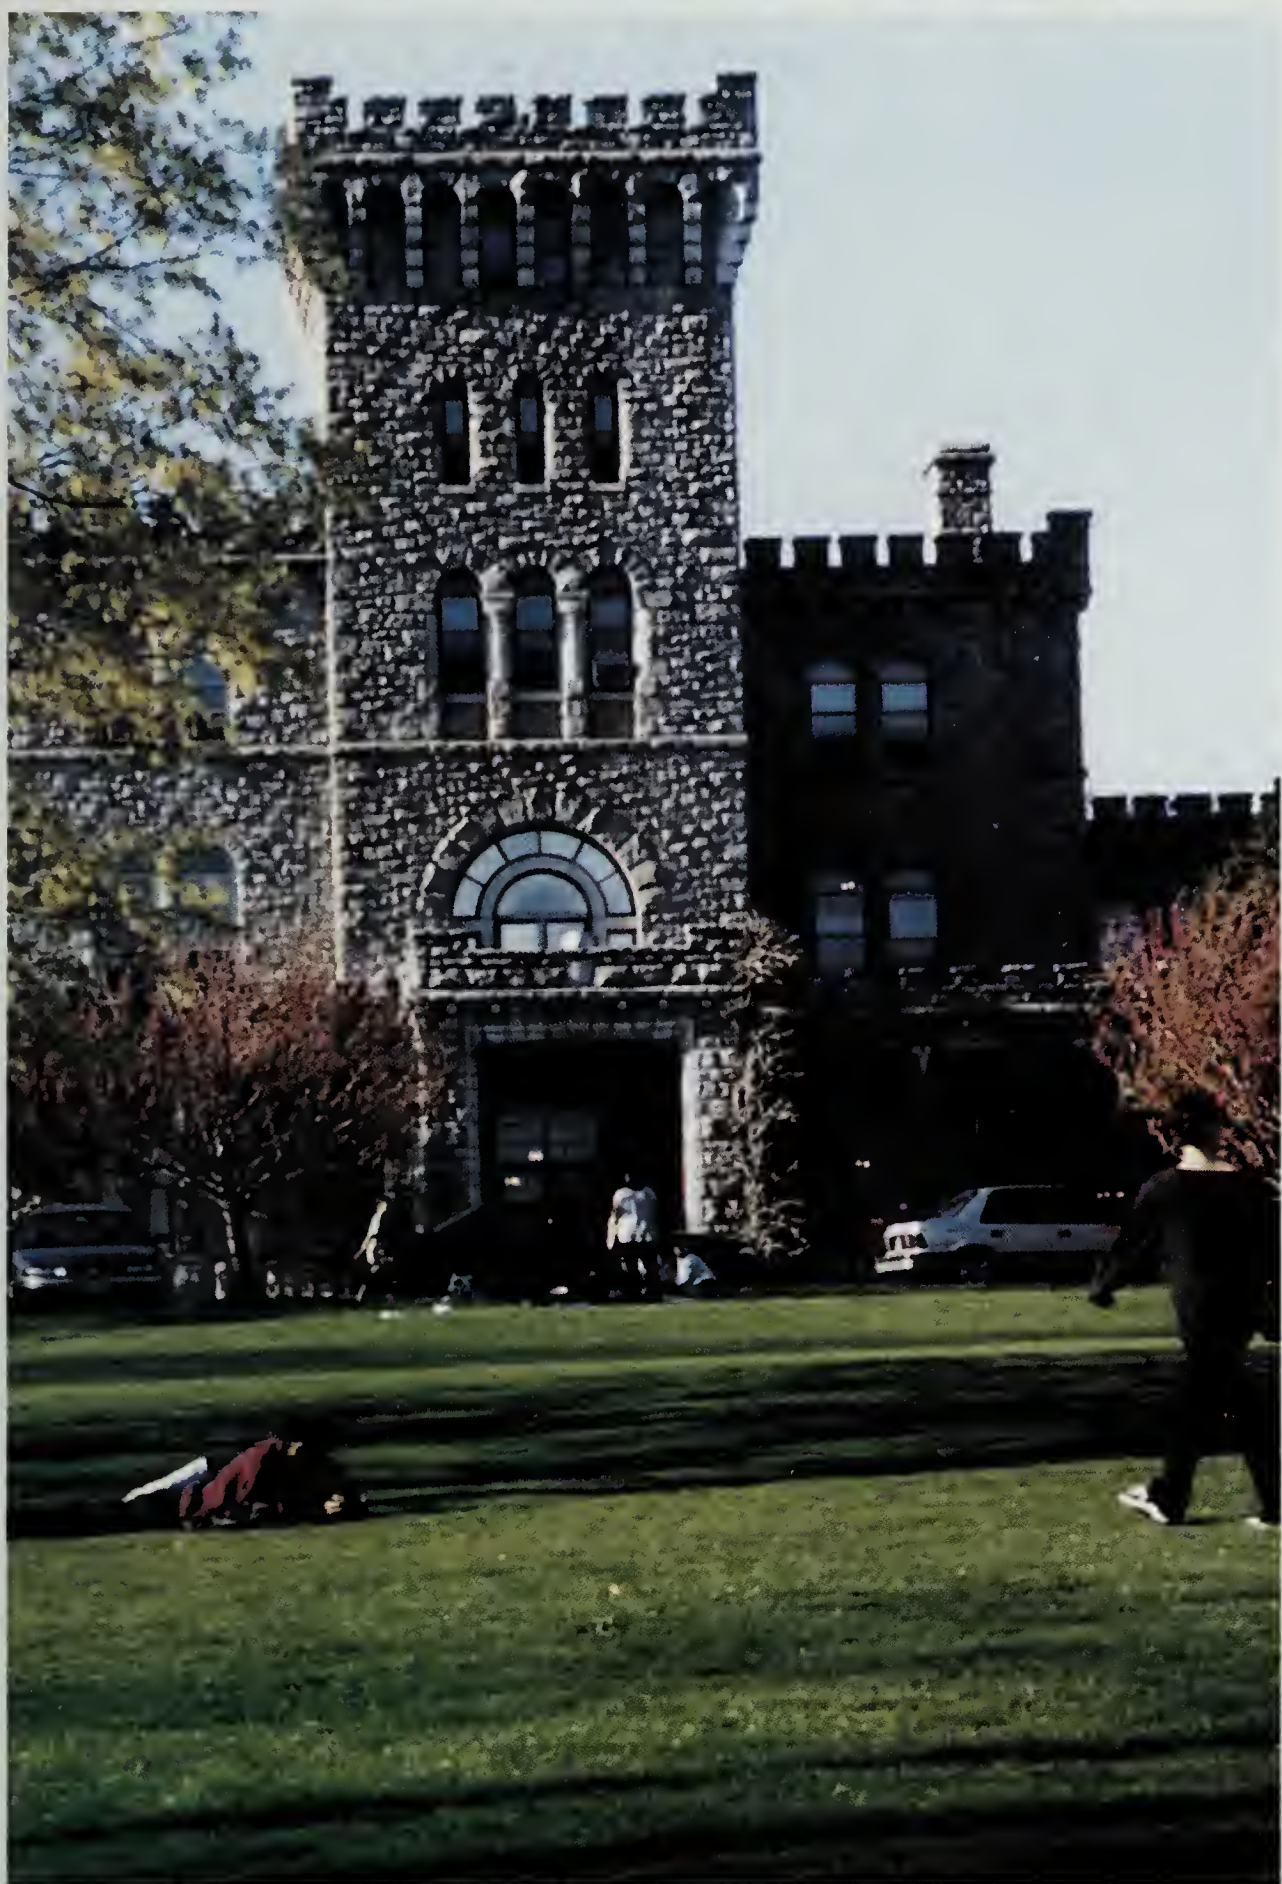

OUR *Footprints* THROUGH TIME

Many events are held throughout the year in order to add a little more spice to Manhattanville's college life! In the fall and spring a formal is held where students dress their best for the occasion and enjoy a night of dancing and fun with friends. Quad Jam is also a favorite among M'ville students. Everyone gathers on the quad to play some games and enjoy the sounds of various bands. Another enjoyable event is the Midnight Brunch, held during the week of finals, where some of the faculty and President Berman serve the students breakfast. It is not unusual to see our very own President Berman at these events mingling with the students. This goes to show how everyone has to take their first steps into adulthood, but those who choose to do it at Manhattanville College have plenty of people to help them through it. After all, one of Manhattanville's best attributes is that here students know that they are a name and not a number.

Walking Into M'Ville

Walking into M'ville we are filled with all of the great memories that we have gained while attending this college and living up to its' immense tradition. Although our campus is small it holds great beauty and even an historical landmark in the form of the infamous Reid Castle. We have the quad, which is central to our spring and early fall social activity, the Pub and the cafeteria, which introduces us to the marvels of FLIK food and hours of conversation over hot chocolate or maybe some Fro-yo. No matter where you walk on this campus you will always find a friend or a professor that you can chat with, and it's almost inevitable that you will find President Berman mingling among his subjects throughout the day. When entering the residence halls you become intrigued by the noises of the people talking, yelling, listening to music, hanging in the lounge, watching television and occasionally doing homework. You can always find a room to put your feet up in and there is always a friendly face around every corner. Life is good whether you are inside or out while walking through Manhattanville.

Walking With the Students

When venturing outside the campus walls we are always told by others how beautiful our campus is and how different we are from other schools because of the tremendous architecture of our beloved castle. Although the castle has become the central symbol that represents Manhattanville

College to the outside world, it is the students that make up the community around it that hold the true spirit of what being at this college is about. The students bring personality and excitement to our well kept landscape, making it a place where all are welcome and accepted. Here's to the students that call Manhattanville their home.

"Hey Joe and Mercedes, this isn't Iguana's!"

"Jen really knows how to work a bone."

"Umm . . . Kristi, I don't think that's where those go."

To The Class of 1999:

Each of you, in your own inimitable way, have left both the College and me with many memories, legacies and even a few new traditions. You are particularly special to me because you were the first class to enter Manhattanville during the beginning of my presidency and, like no class before, I've been able to be present and watch you grow during your entire time

here.

I believe that the tradition of this College, along with your development in the Manhattanville community, will provide the world with a group of individuals who know that they can be anything they want to be and do anything they want to do. I want you to know that we continue to be here for you, even though your new opportunities may take you far away.

I pray that each of you will discover a world filled with happiness, good health and personal satisfaction and that you will always remember the "Manhattanville way" to reach out to **make a difference** in someone else's life — we expect more from our own.

Thanks for being there for me when I needed you. I hope you will continue to stay in touch through a visit, phone call or let-gratulations and good luck to the this century!

ter. I will truly miss you! Con-Class of '99 — the last class of

Sincerely,

Richard A. Berman
President

In preparing for the largest class that M'ville has seen in the last 30 years or more, nothing would have been accomplished without the help of the orientation chairs; Tom Brommage and Chris Rasidakis and orientation advisors affectionately known as the OA's. Take 2002 was a memorable orientation especially due in part to the blackout during Phase I and the torrential downpour of Phase II, but despite any unexpected surprises everyone had a great time and will hold these memories for a lifetime.

Did somebody say cheese?

The OA's gather for a family pic after a hard weekend.

Nichole and Chris taking a break as usual!

RESIDENCE HALLS

FALL JAM

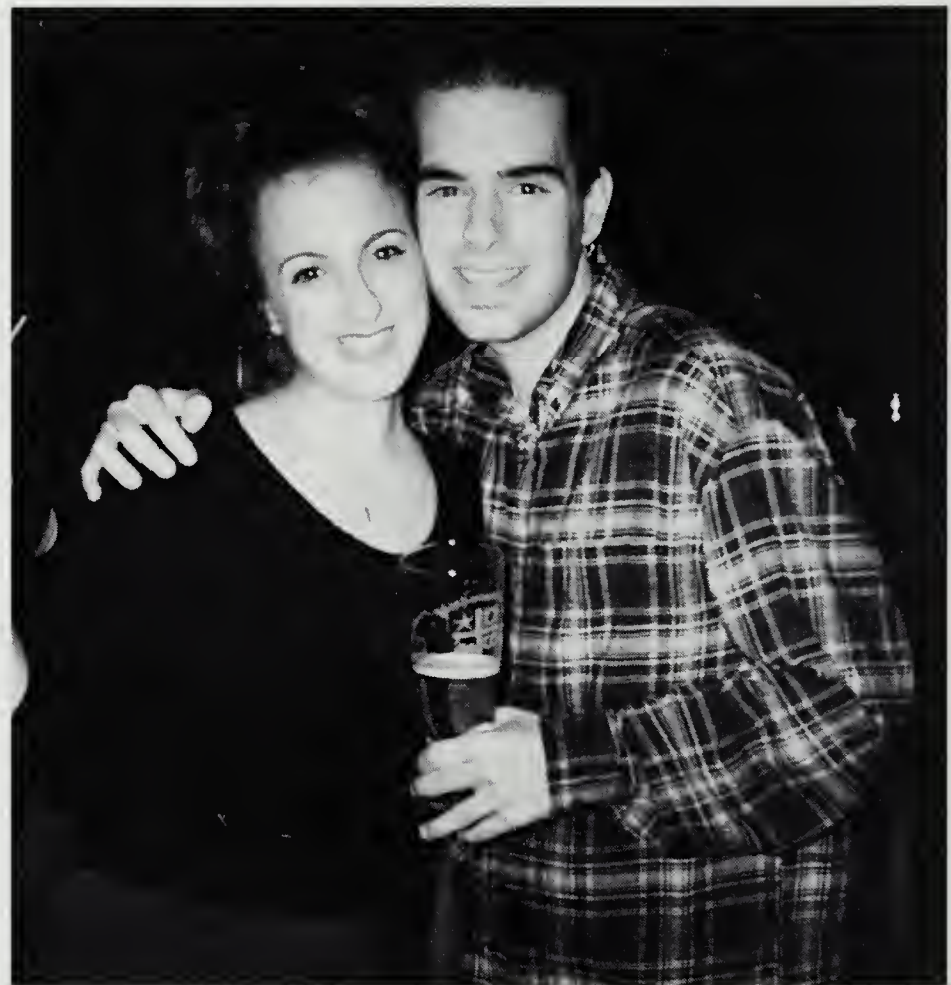

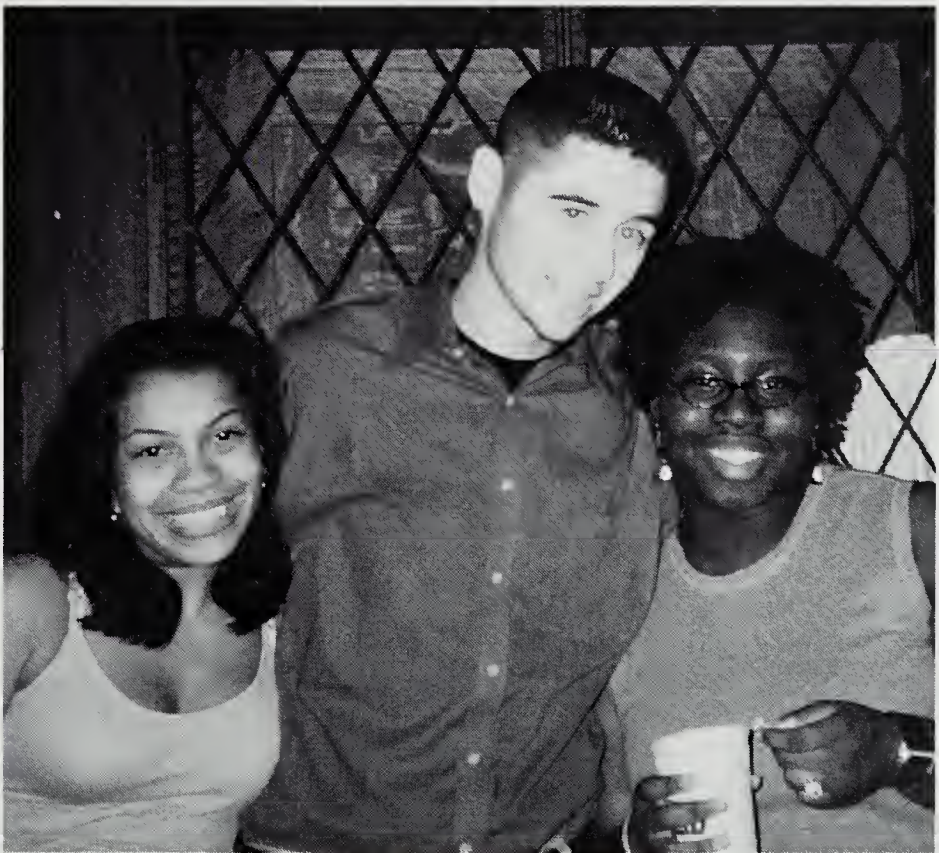

On Saturday, October 3, the second annual Fall Jam took place on the Quad. Guy Smiley, IZZ, and ELP are just a few of the bands that rocked the crowds. It was easy to forget that it was a cloudy day with all the energy that out-poured from the crowd and the bands. Everyone agreed that Fall Jam was a success. Everyone has mugs full of concoctions, Life is good. Hang out under a blanket and listen to some good music. What a way to spend the day.

200 NIGHTS

200 NIGHTS!!!! It may only be October, but Seniors have already begun the countdown to graduation. On this night seniors forget about studying for classes, comps, and writing the Senior thesis. The only important task is having fun tonight!!! Even President Berman joins in on this night of never ending fun. Go Seniors!!!!

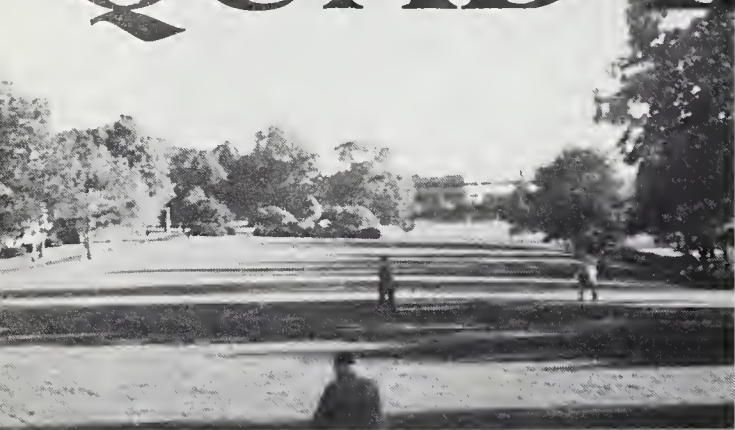

FLIK

QUAD LIFE

A day on the Quad is truly a Manhattanville experience. The sun is out, people are laying on their blankets, and Prof. Bowling is relaxing with a book. We usually have to dodge footballs and frisbees, so WATCH OUT! Whether we are tossing a football, building a snowman, or studying for that big political science midterm, the Quad is the center of the Manhattanville universe.

Winter Formal

"Betcha can't eat just one."

Jen and Kelly flash those pearly whites.

John always keeps Laura on his dance card.

Tonight we're gonna party like it's 1999!

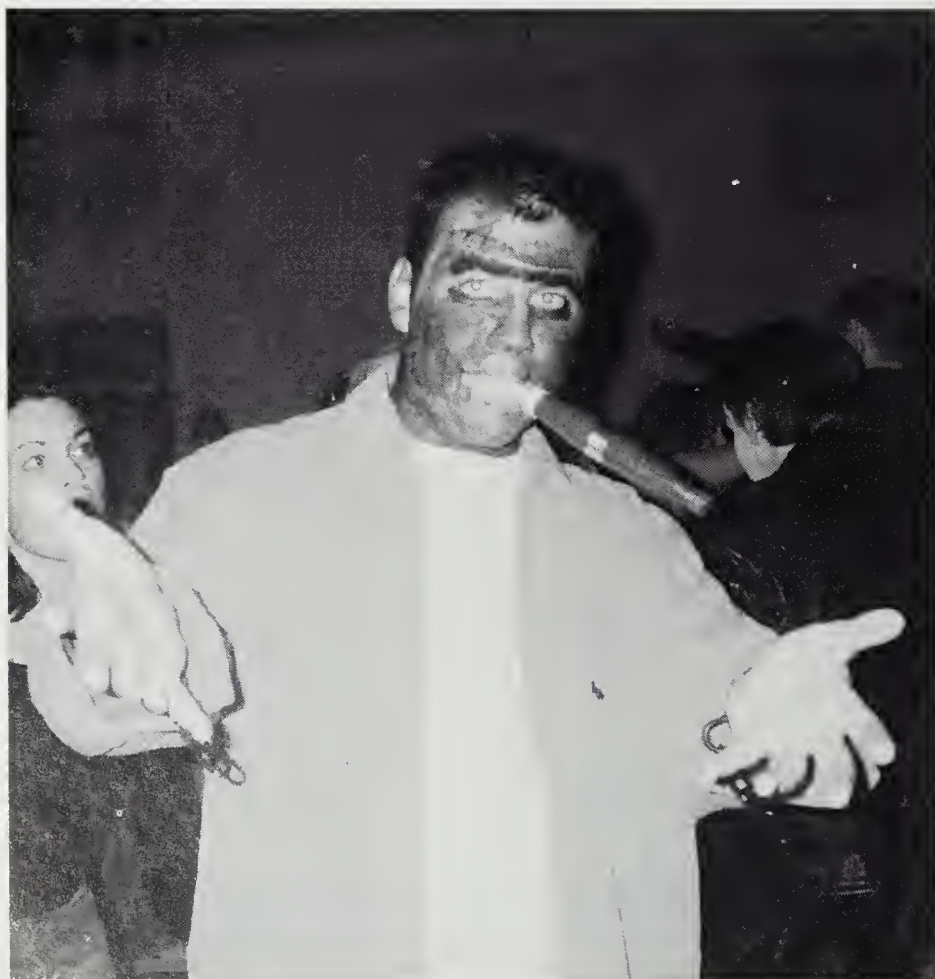

On December 4, 1998 the annual Winter Formal was held in The West Room of Reid Castle. The night was amazing, filled with great music, good food, and everybody put on their best duds so they could "Party like it's 1999." The SPB did a great job decorating the castle with a New Year's Eve theme complete with a countdown, party favors, and noisemakers. While most of the seniors were in the drinking room, the dance floor was pumping as the Manhattanville community "shook their booty's."

HALLOWEEN

Halloween enables students to relieve the daily stress by dressing up and being someone or something else. Witches, vampires, angels, clowns, and South Park characters are only a few of the various costumes students wore on this night. The East Room was full of spooky spirit, good music, and lots of dancing. Happy Halloween!!!!

ENTENTE

The Fall and Spring Entente is a great opportunity for faculty, staff, and students to come together out of the classroom to enjoy appetizers, student performances, and stimulating conversation. Coordinated by Student Government Vice President of Academics, Renee Gillete and her committee of academic reps, this year's Ententes were well attended and well organized. Whether you're discussing Mexican politics with Prof. Pittman, Post-Impressionism Art with Prof. Greenhill-Hannum or the current NFL season with Prof. Bowling, the Entente remains an annual favorite with the Manhattanville Community.

PEP RALLY!!!

President Berman, he's our man. If he can't do it, no one can.

Everybody loves Joe Valiant, or is it Jo Valiant?

We are all Valiants at heart and at this year's Pep Rally, the community showed its true school spirit in support of the Winter Sports teams. Put together by Student Government Athletic Rep Denise Strehle and the Valiant Club, the Pep Rally featured all our winter sport athletes, a half court contest, the Valiant cheerleaders, and who could forget Courtney Degen, as she challenged Chris Slattery in a three point contest. The crowd stayed loud and lively thanks in part to Joe Valiant and the host for the evening Pete Rotolo.

Senior Chris Slattery reflects on his four year career.

It's been four years and still the seniors know how to get crazy. Since freshmen year the Class of 1999, have proved that we are one of the wackiest, zaniest, loudest and a class with a high tolerance. We have kept the laughter going and the good times rolling. Whether we were dancing on the bars of Iguanawana's, partying in our suite, laughing in the cafeteria, or cheering at a basketball game, the Class of 1999 has kept this college in hysterics.

Kristi and Mercedes show Anthony how it's done.

Donya and Diana get caught with their pants down.

Elsie BUSTS out!

OK guys, Chris is cut off.

After a hard day in chorus, Bethany needs a drink.

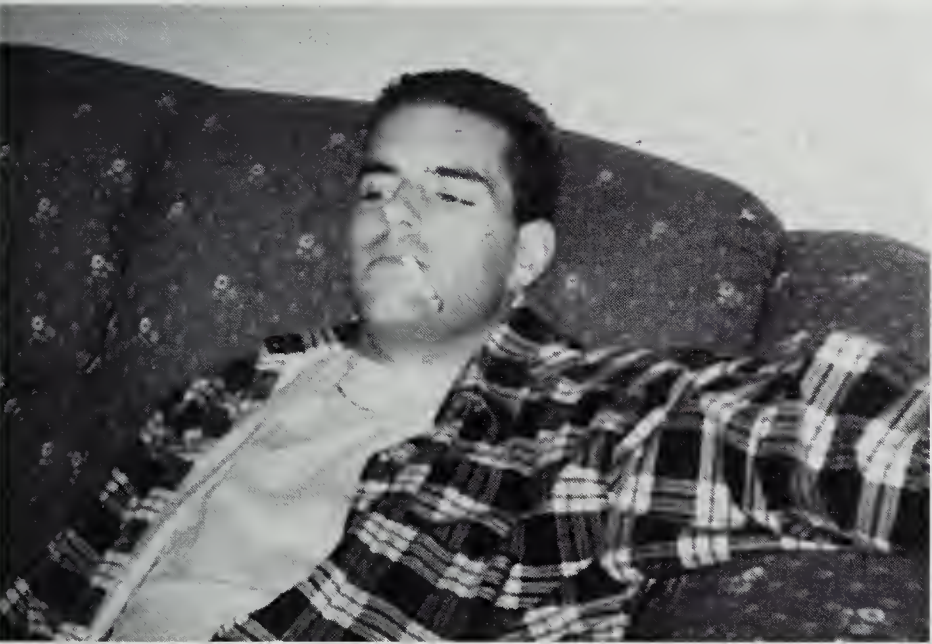

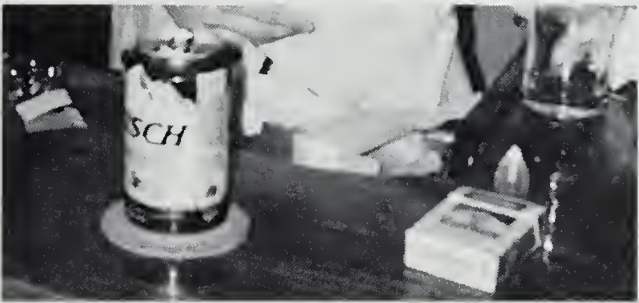

“We Can Make Our Lives Sublime, And Departing;
Leave Behind Us Footprints On The Sands Of Time.”

To the Women’s Glee Club I leave the love of sight-signing, travelling in the van, red robes. Quaker youth hostels and fun times with Mr. Cuk. To all of my freinds I leave memories of our good times, trips to the diner, all-night parties and a never-ending flow of tequila shots and coronas. To all diva wannabe’s I leave good posture, the joy of singing and attitude.

Adam Sphrintzen leaves Manhattanville all of the memories from four unforgettable years — To my friends, I leave my heart, soul and sometimes tears — To WMVL I leave three years of hard work — To Founders I leave tape on the walls.

Ro Schneck leaves Linda my sanity and my trust. To Michelle I leave my craziness and my love. To Lauren I leave my heels and my heart and to Stephanie I leave my sneakers and my sweetness. To all of you I leave my friendship and my soul. All of you are so special to me. There is something special about each one of you, something that one doesn’t often find. I don’t know if I would have gotten through these past four years without you. I love you and will miss you all — Good Luck and All my love.

Joe Vece leaves Kristi fish nuggets, kibitzing, shoes from the pond, sophomore year, barhopping, scandals, Sunday night pornos, and her own pack of cigs. To the 320 crew — many random drunken nights, a bottle of Absolut, and my cool bartending skills. To Shawna — a long distance phone card and our famous heart to hearts “nipple want to say Hi.” To Dawn — all 12,000 cigarettes I owe you and some juicy gossip. To the Class of 99 — Best of Luck and I’ll see you at the reunion, I’ll be the one tapping the keg.

All For Laughs

"Luis gets excited over the Captain."

"Is that Rudolph, or is it Abby?"

"Friends worth keeping close."

"So that's wha the R.A.'s do with
confiscated beer."

PUB

Whether you're grabbing a quick grilled chicken sandwich before class or sharing an order of onion rings with your suitemates, The Pub can be the perfect place to cure the munchies. At an almost any given time during the day you can find The Pub filled with people buried in their books, chatting with friends, or lounging on the couches catching up with the old boob tube.

While The Pub will always be famous for its weekend parties that feature DJ's and bands to suit any musical taste, this year the Pub Committee was proud to introduce the TGIF Happy Hour. Happy Hour is a great opportunity for the Manhattanville Community including students, staff, and faculty to relax after a long and stressful week and usually features weekly beer tastings from local and some out of state breweries.

TUNNORS

Shellye and Lisa know there is always time for hugs and pictures.

Show those pearly whites!

Did somebody call my name?

Who said that I don't look good?

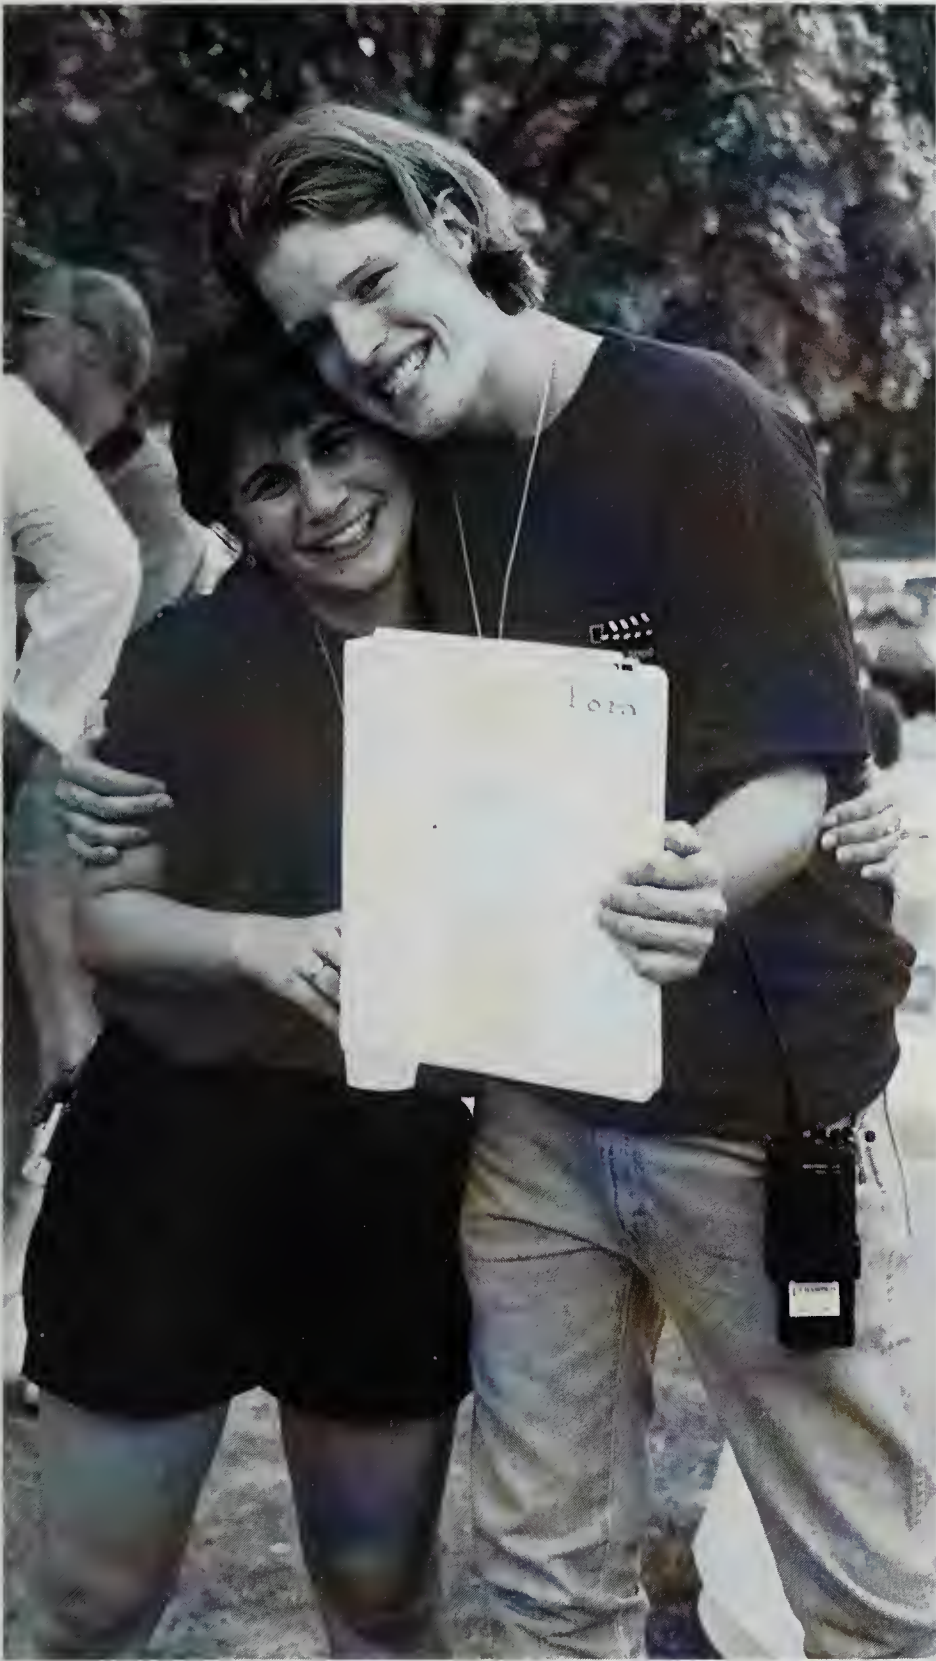

Macho, Macho Men!!

Heather and Bonnie share a sisterly moment.

Tom and Victoria stop for a hug.

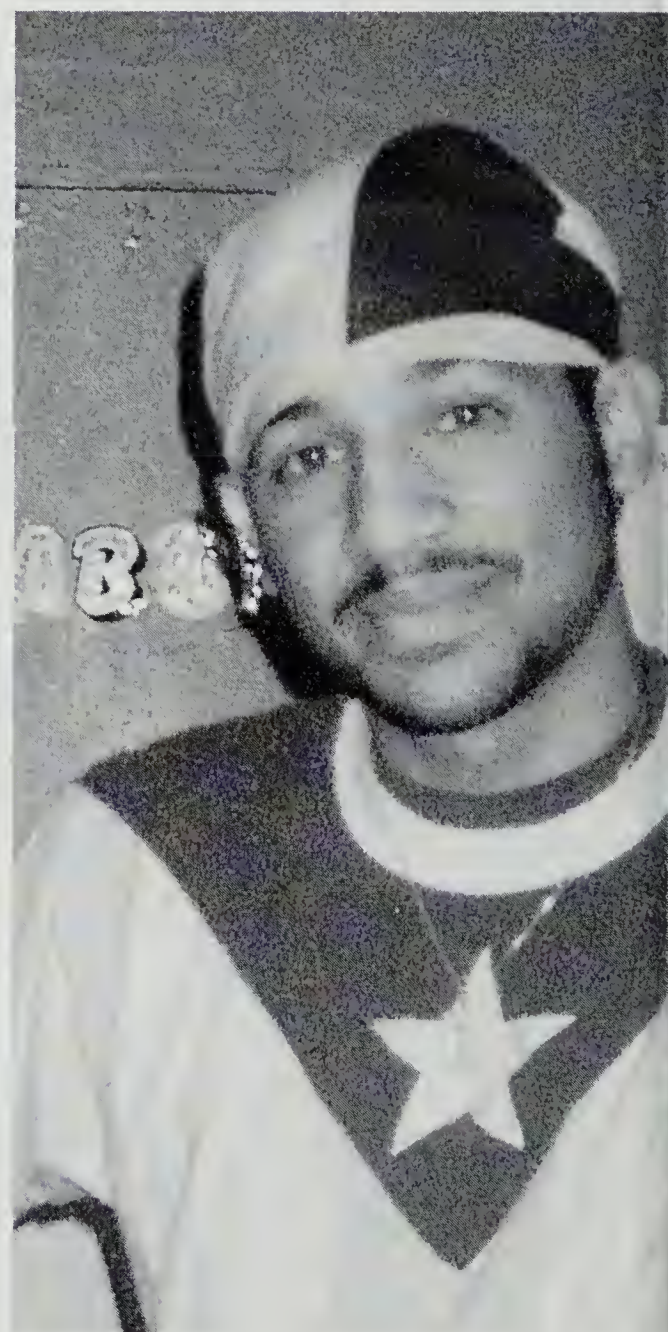

It seems like only yesterday that the Junior Class entered Manhattanville College as the Freshman Class of 2000, everyone a little bit shy and unknowing of the future. In one more year the Junior Class will not only be walking down the graduation aisle together, but they will be entering the real world at the turn of the century. And while the Junior Class marches into the 21st Century with their heads held high, the mark they made upon Manhattanville's community will always be remembered.

Until they embark on this journey together, the Junior class is working hard to make memories. Memories that will last a life time and always hold a special place in their heart. Junior year is a time when old friends are cherished and new friends are made. Smiles, hugs and good times will be captured in the pages of this yearbook. Blast off into the year 2000 with a positive outlook and never forget your Footprints Through Time.

Eli takes a break from dinner

Mr. Puerto Rico!

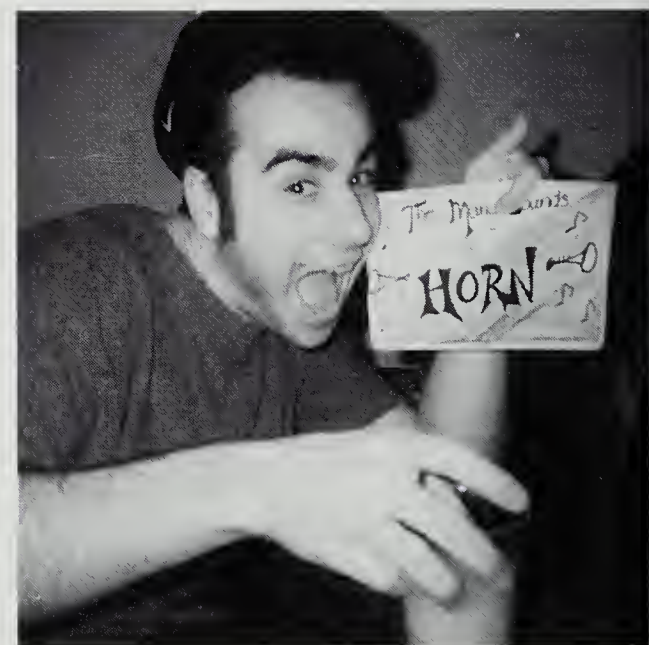

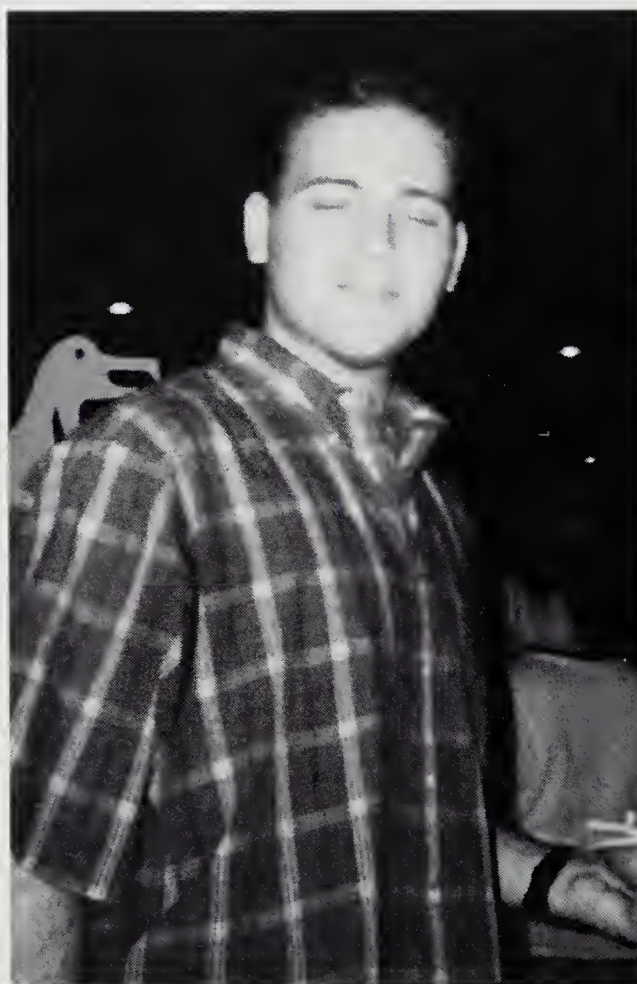

I'm going to get you!

We just could not be any happier to be here.

David can't stand to look at his FLIK concoction.

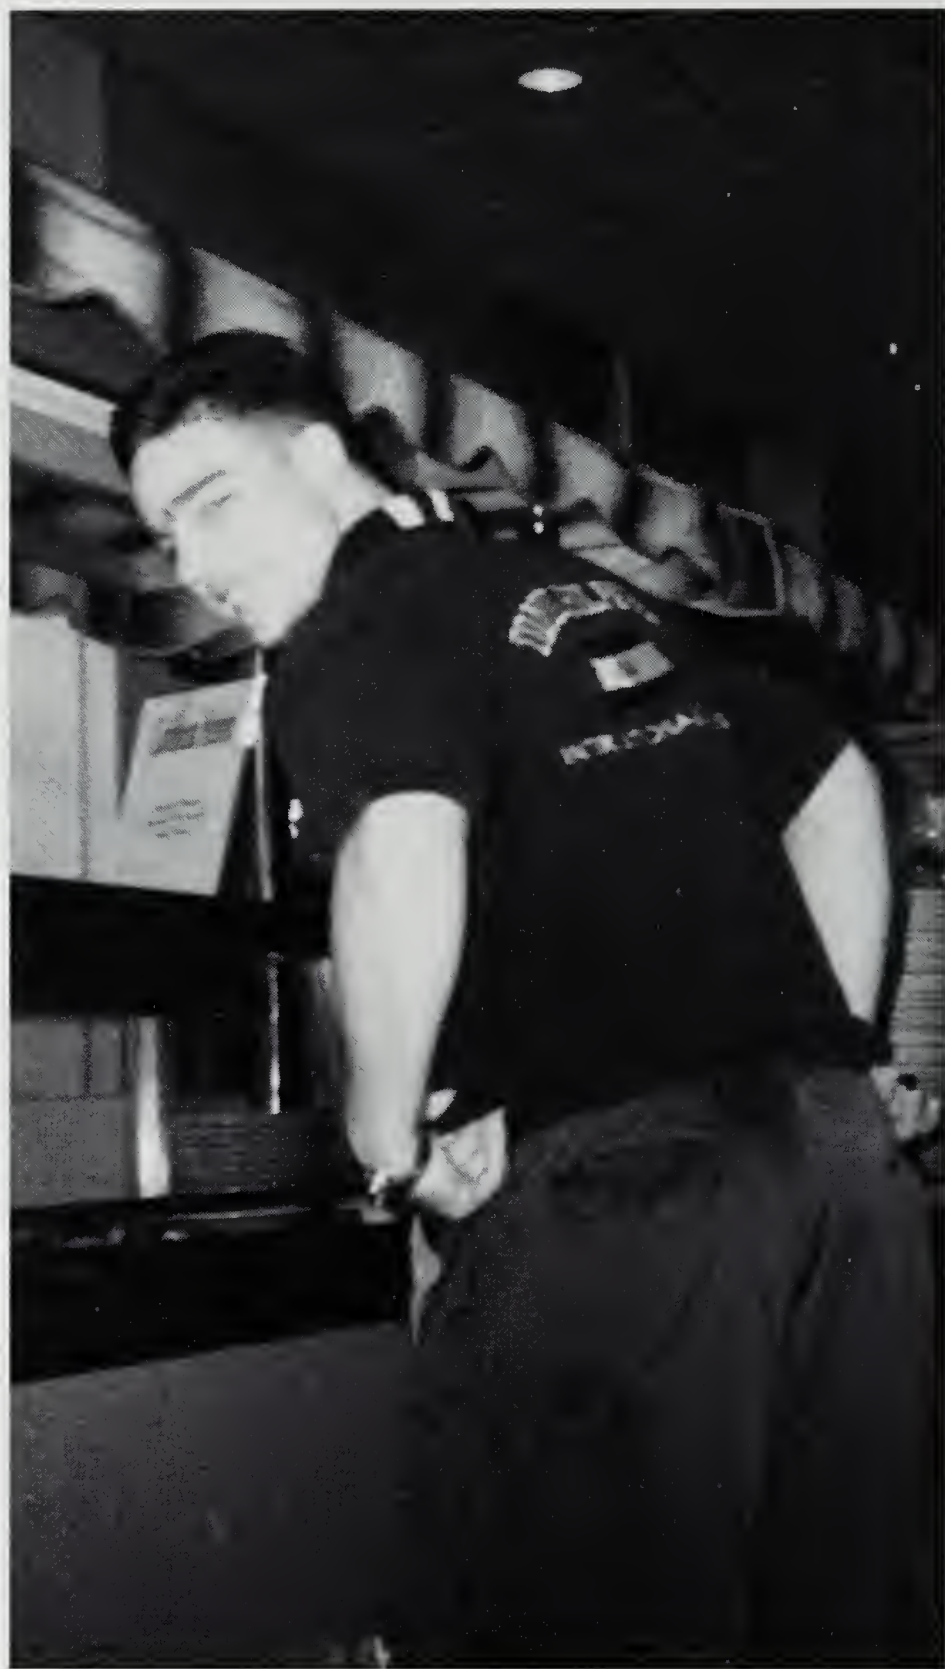

Jen and Kate wonder where the rest of the 1-7 girls could possibly be.

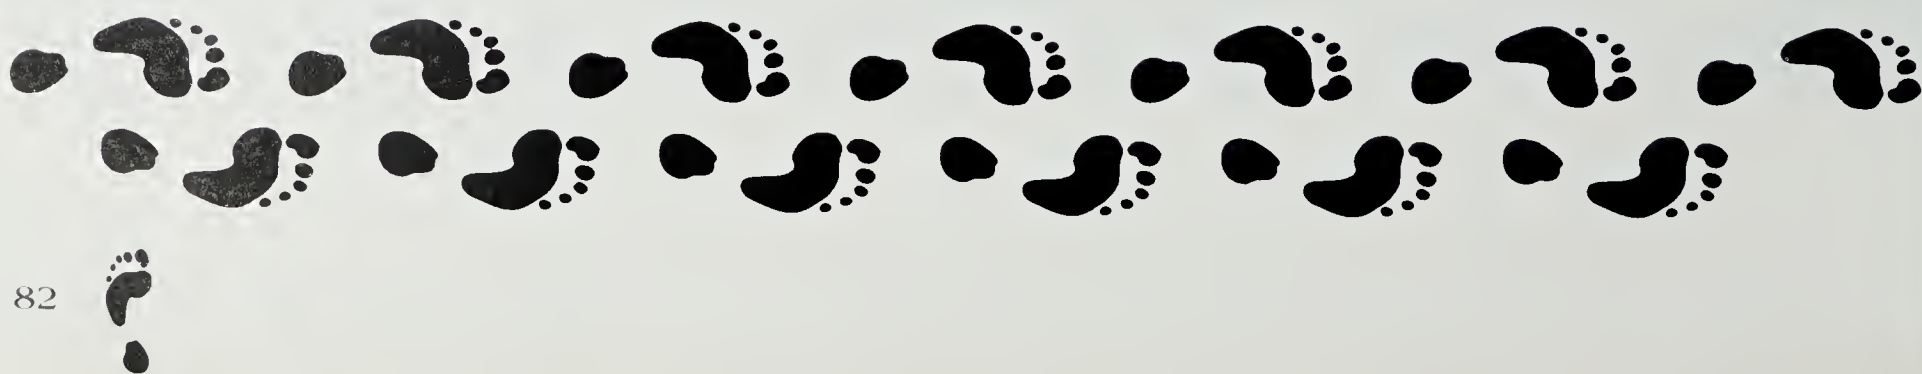

Sebastian toots his own horn.

SOPHOMORES

We're not freshmen anymore. The Class of 2001 has found good times and great memories as we finish our second year at the Ville. We took Damman by storm and found that "suite life" really suits us. We finally chose our majors, we are now immune to Flik food, and got our portfolios out of the way. It's hard to believe that it's half way over, but we plan to make the rest of the ride as fun as possible. Two down and two to go.

Chris shows his better side.

Hansel just found out his portfolio was approved.

There's Chelsea, but where are Toto and the Scarecrow?

8. How many people are on the women's basketball team?
9. What do you mean 5:30 am practice?
10. Well . . . we don't exactly have an athletic director?

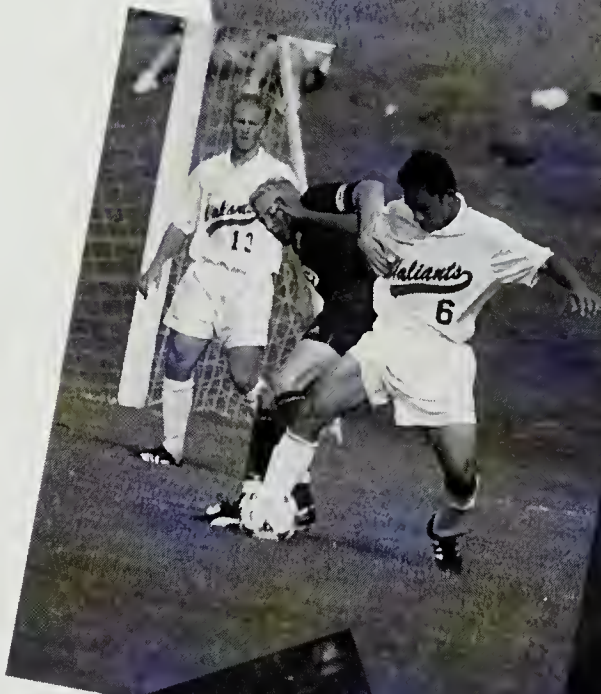

Women's Soccer

The women's soccer team stepped out onto the field under a brand new coach and played a tough season straddled with injuries and a tough schedule, but these women stuck it out despite few wins on the season. Junior sweeper Erin Mackay once again lead the team with her drive and experience, along with senior full-back Denise Strehle and class-mate Kadie Presley and junior Danielle Ruggiero earning all-Tournament honors. Ruggiero has managed to tally over 15 points each of her three seasons at Manhattanville and is quickly working her way up the all-time scoring leaders list. With a core group of women possessing talent, drive and experience this team is expected to improve and succeed in years to come.

Men's Soccer

Men's Soccer began the season with little experience and key injuries but they bounced back and attained some great achievements including Matt Reeves, who received Rookie of the Week honors. The team also collectively won the Valiant Cup for the first time in six years behind all-tournament players Dan Bounomo, Nick Giacobelli and MVP Jean-Marc Berne. Although the team did not have a great amount of wins they gained much needed experience for the very young team that will lead them into next season armed with their natural talent as well as knowledge and determination. This core group of freshmen will lead Manhattanville Soccer to great future successes.

Field Hockey

The Women's Field Hockey team started out the season with high hopes, experience and determination. These women proceeded to attain more wins than any other team in Manhattanville Field Hockey history. The team, lead by Senior co-captains Amy Dolan and Heather Miller was one that had been building each year until they finally made the puzzle fit with help from offensive threats Stacey Dalao (sophomore) and Kristin Cucinell (Junior), while depending on solid defenders Ann Spataro (Junior) and goalie Renee Gillette (Junior) as well as solid players such as Sara Smith (Junior). With a 11-7 record these women will forever be in the annals of sports history at Manhattanville and offered exciting entertainment to fans and followers. These women will continue their solid tradition in years to come behind experienced leaders and top recruits.

WOMEN'S TENNIS

MEN'S TENNIS

VOLLEYBALL

This year's Women's Volleyball team will be sad to see several seniors graduate from the team. Senior captain, Jaime Kriksciun leaves the team after four years of solid leadership and outstanding performance. She has continuously lead the team in kills and has also ranked in the nation. Her presence will be sorely missed from this highly successful program. Seniors Elsie Vaquez and Tiffany McMaster leave the team as well this year after four years of setting, digging and serving aces. The team will miss their seniors, but the underclassmen will be sure to carry on the tradition of these fine players.

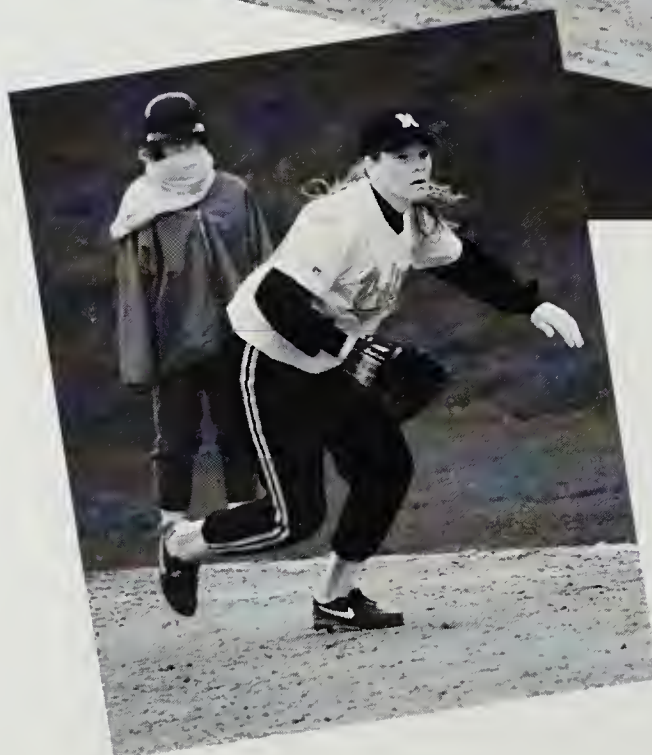

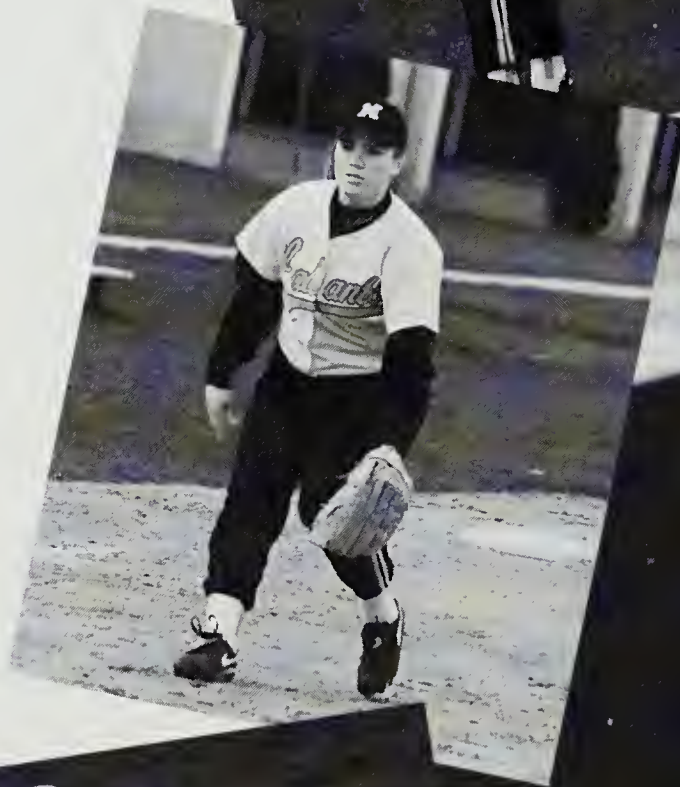

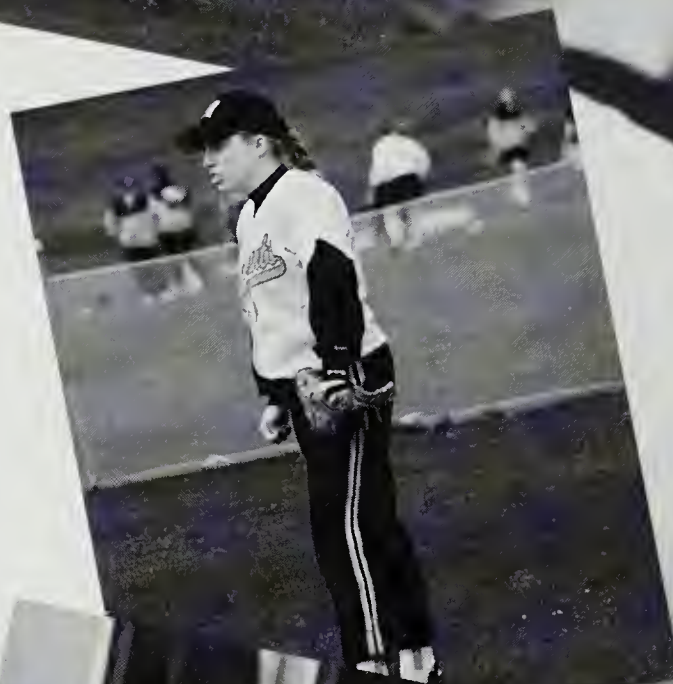

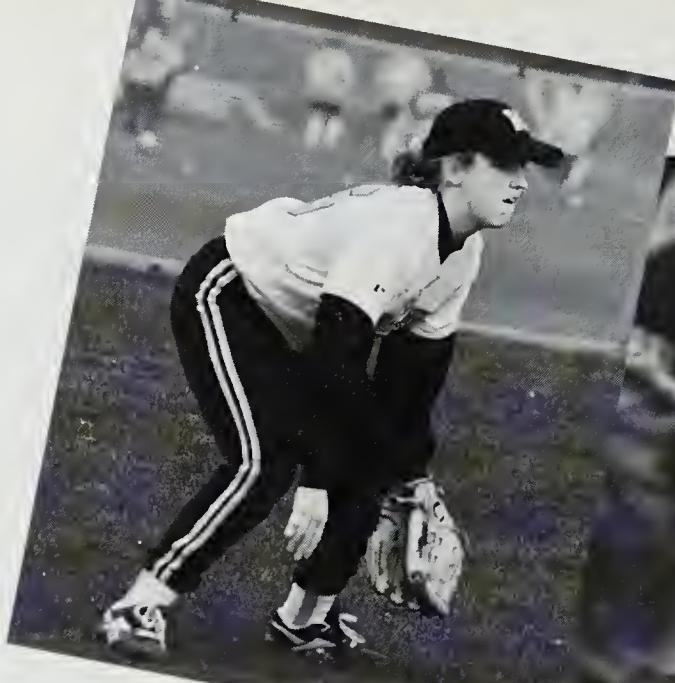

SWIMMING

The 1999 Swim Team had the best season in many years for Manhattanville. Coach Heather Chandor used a mixture of raw talent and hard work to mesh her team into a powerhouse squad. Senior Sara Smith lead the squad this year with her experience and talent, helping the team to jump out to a 7-2 start on the season. Junior Nancy Archer and Sophomore Allison Mascioli helped to bring talent and spirit to the team which will carry them on to future successful seasons. The men also started competing this year behind the likes of junior Joe Conetta and sophomore Sebastian Sosnowski. The men had a tough first go, but with the same aggressive will as the women they should be coming along in no time.

SOFTBALL

The 1998 Softball team once again found itself a champion after winning the conference crown once again in a "valiant" effort. The 1999 team will be led by senior lead-off hitter and two year captain, Amy Dolan. Senior Diana Fino, last season's Skyline Conference Pitcher of the Year will suit up for her final season on the mound in hopes of re-enacting last year's tremendous performance. Senior lefty Denise Strehle will also lend a hand in the team's success with her hard work and experience. Juniors Danny Ruggiero and Bridget Buckley bring the team spirit and humor while helping to lead the new crop of freshmen.

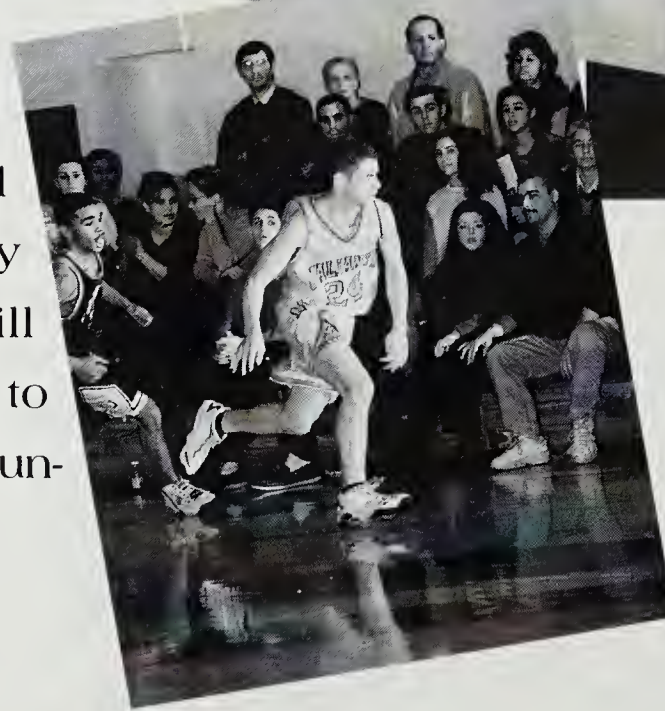

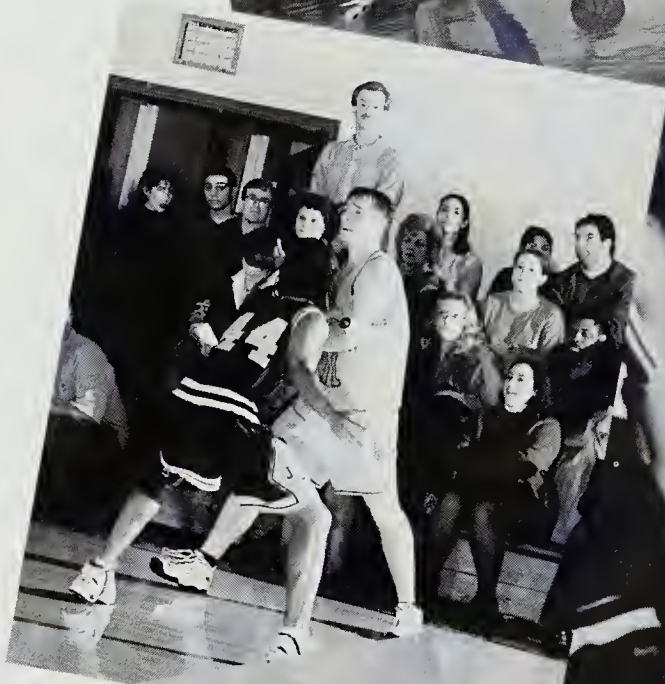

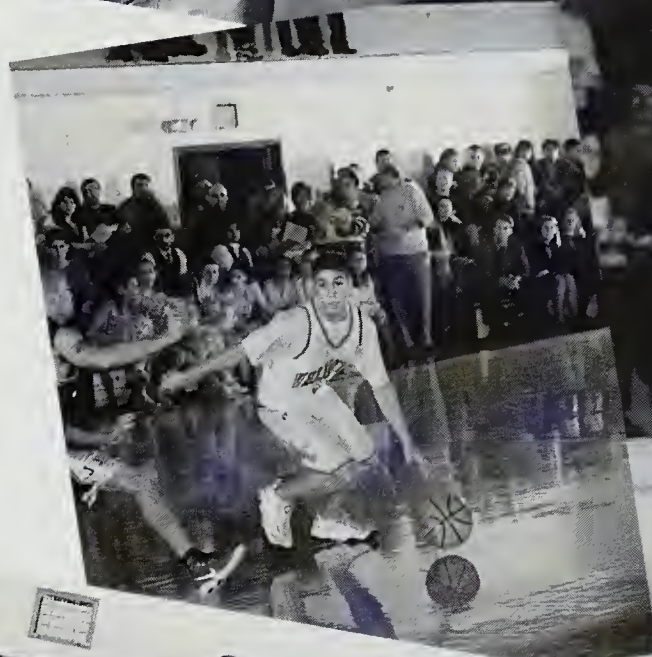

WOMEN'S BASKETBALL

This year's Women's basketball team found itself in a rebuilding season with a core of freshmen and only one sophomore. All though plagued with injuries and inexperience the team found many bright spots, including standout freshmen forward Adrienne Borrani, who led the team in scoring and rebounds. She also made the all-tournament squads for Manhattanville's Castle Classic Tournament and the Union Tournament. Classmate Jen Ryan made the ECAC Honor Roll as well as Castle Classic all-tournament honors. This young team hopes to use their newfound experience to help the team jell and go on to great success in the future.

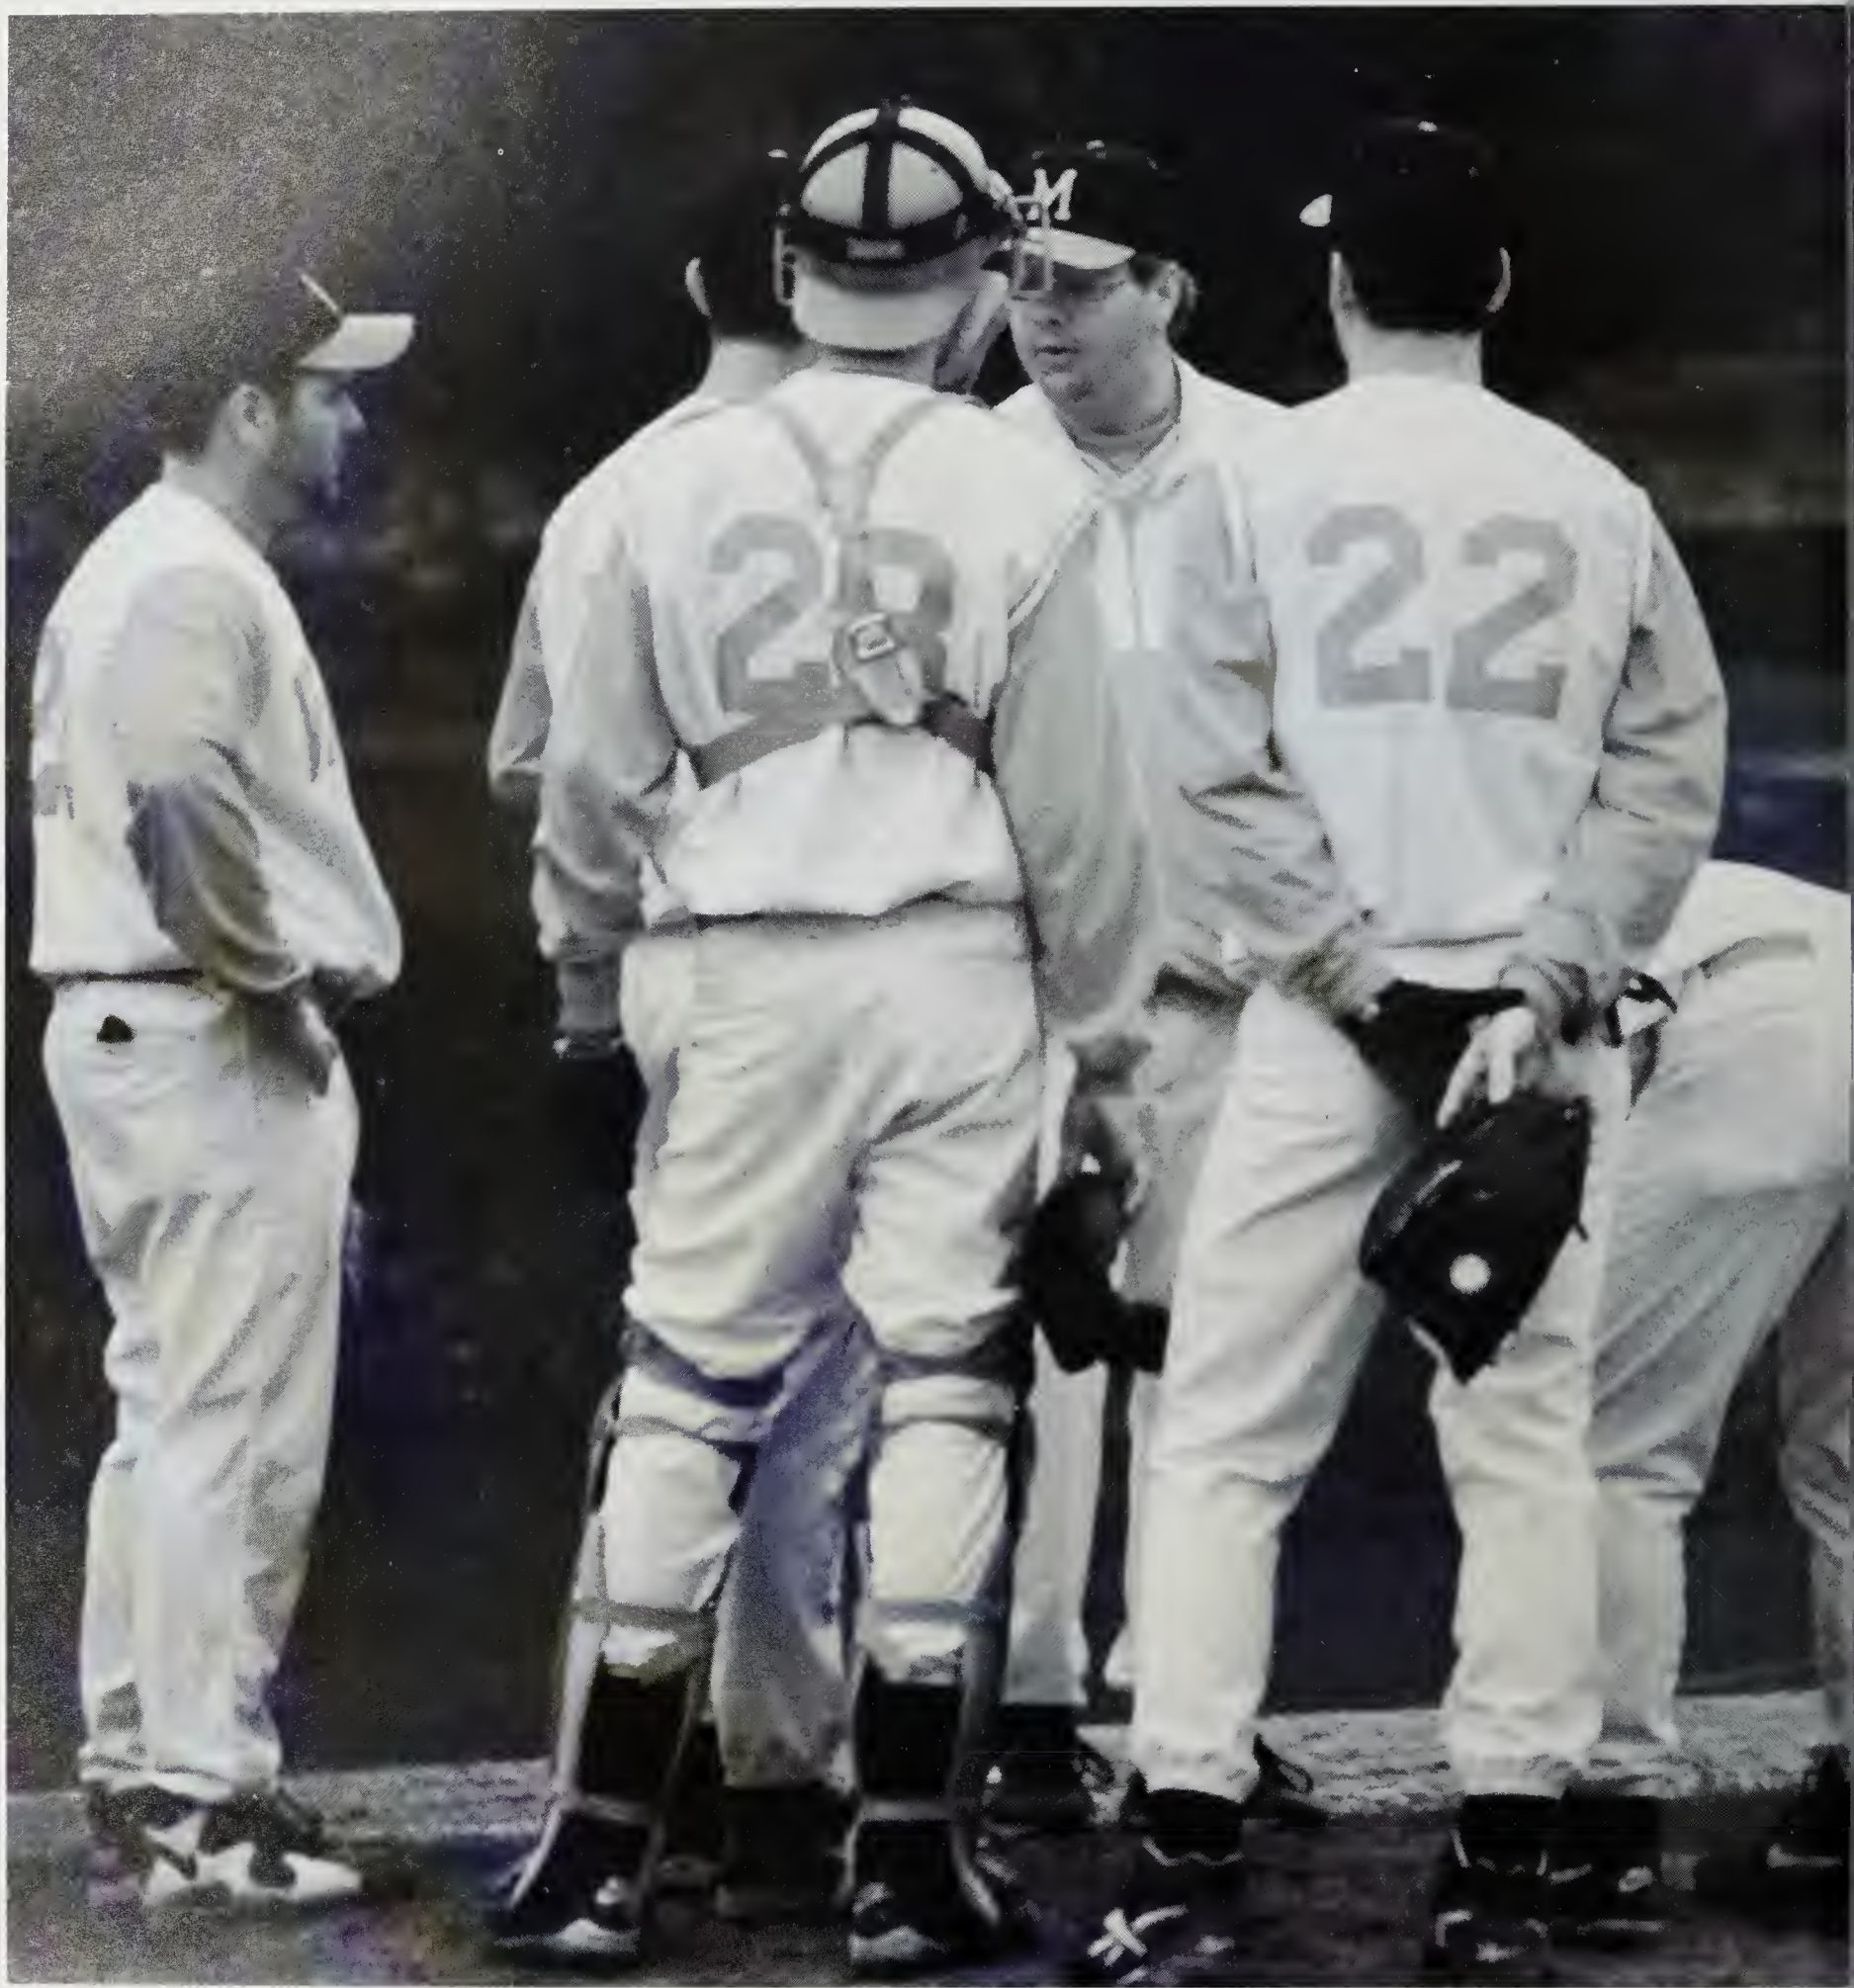

MEN'S BASKETBALL

The Men's Basketball team was led by senior Chris Slattery who scored his 1,000th point this season and had a career high 40 points against Old Westbury. Chris also won Player of the Week honors for the Skyline Conference and MVP honors for the Castle Classic. As the lone senior on a squad full of freshmen he became this year's captain and leader along with junior co-captain Leif Gagliardi who led the team from down low with his leaping ability and quick defense. The team kept the crowds involved with their aggressive play, hard defense and multiple three point shots. Junior transfer, Ryan Pettit joined the team this year as a rebounder, willing to make the hard-nosed plays while on the court. His efforts earned him a spot on the Castle Classic all-tournament team as well as Skyline Rookie of the Week honors. All though the team will greatly miss Chris Slattery, they will have plenty of talent left over to keep the winning program running.

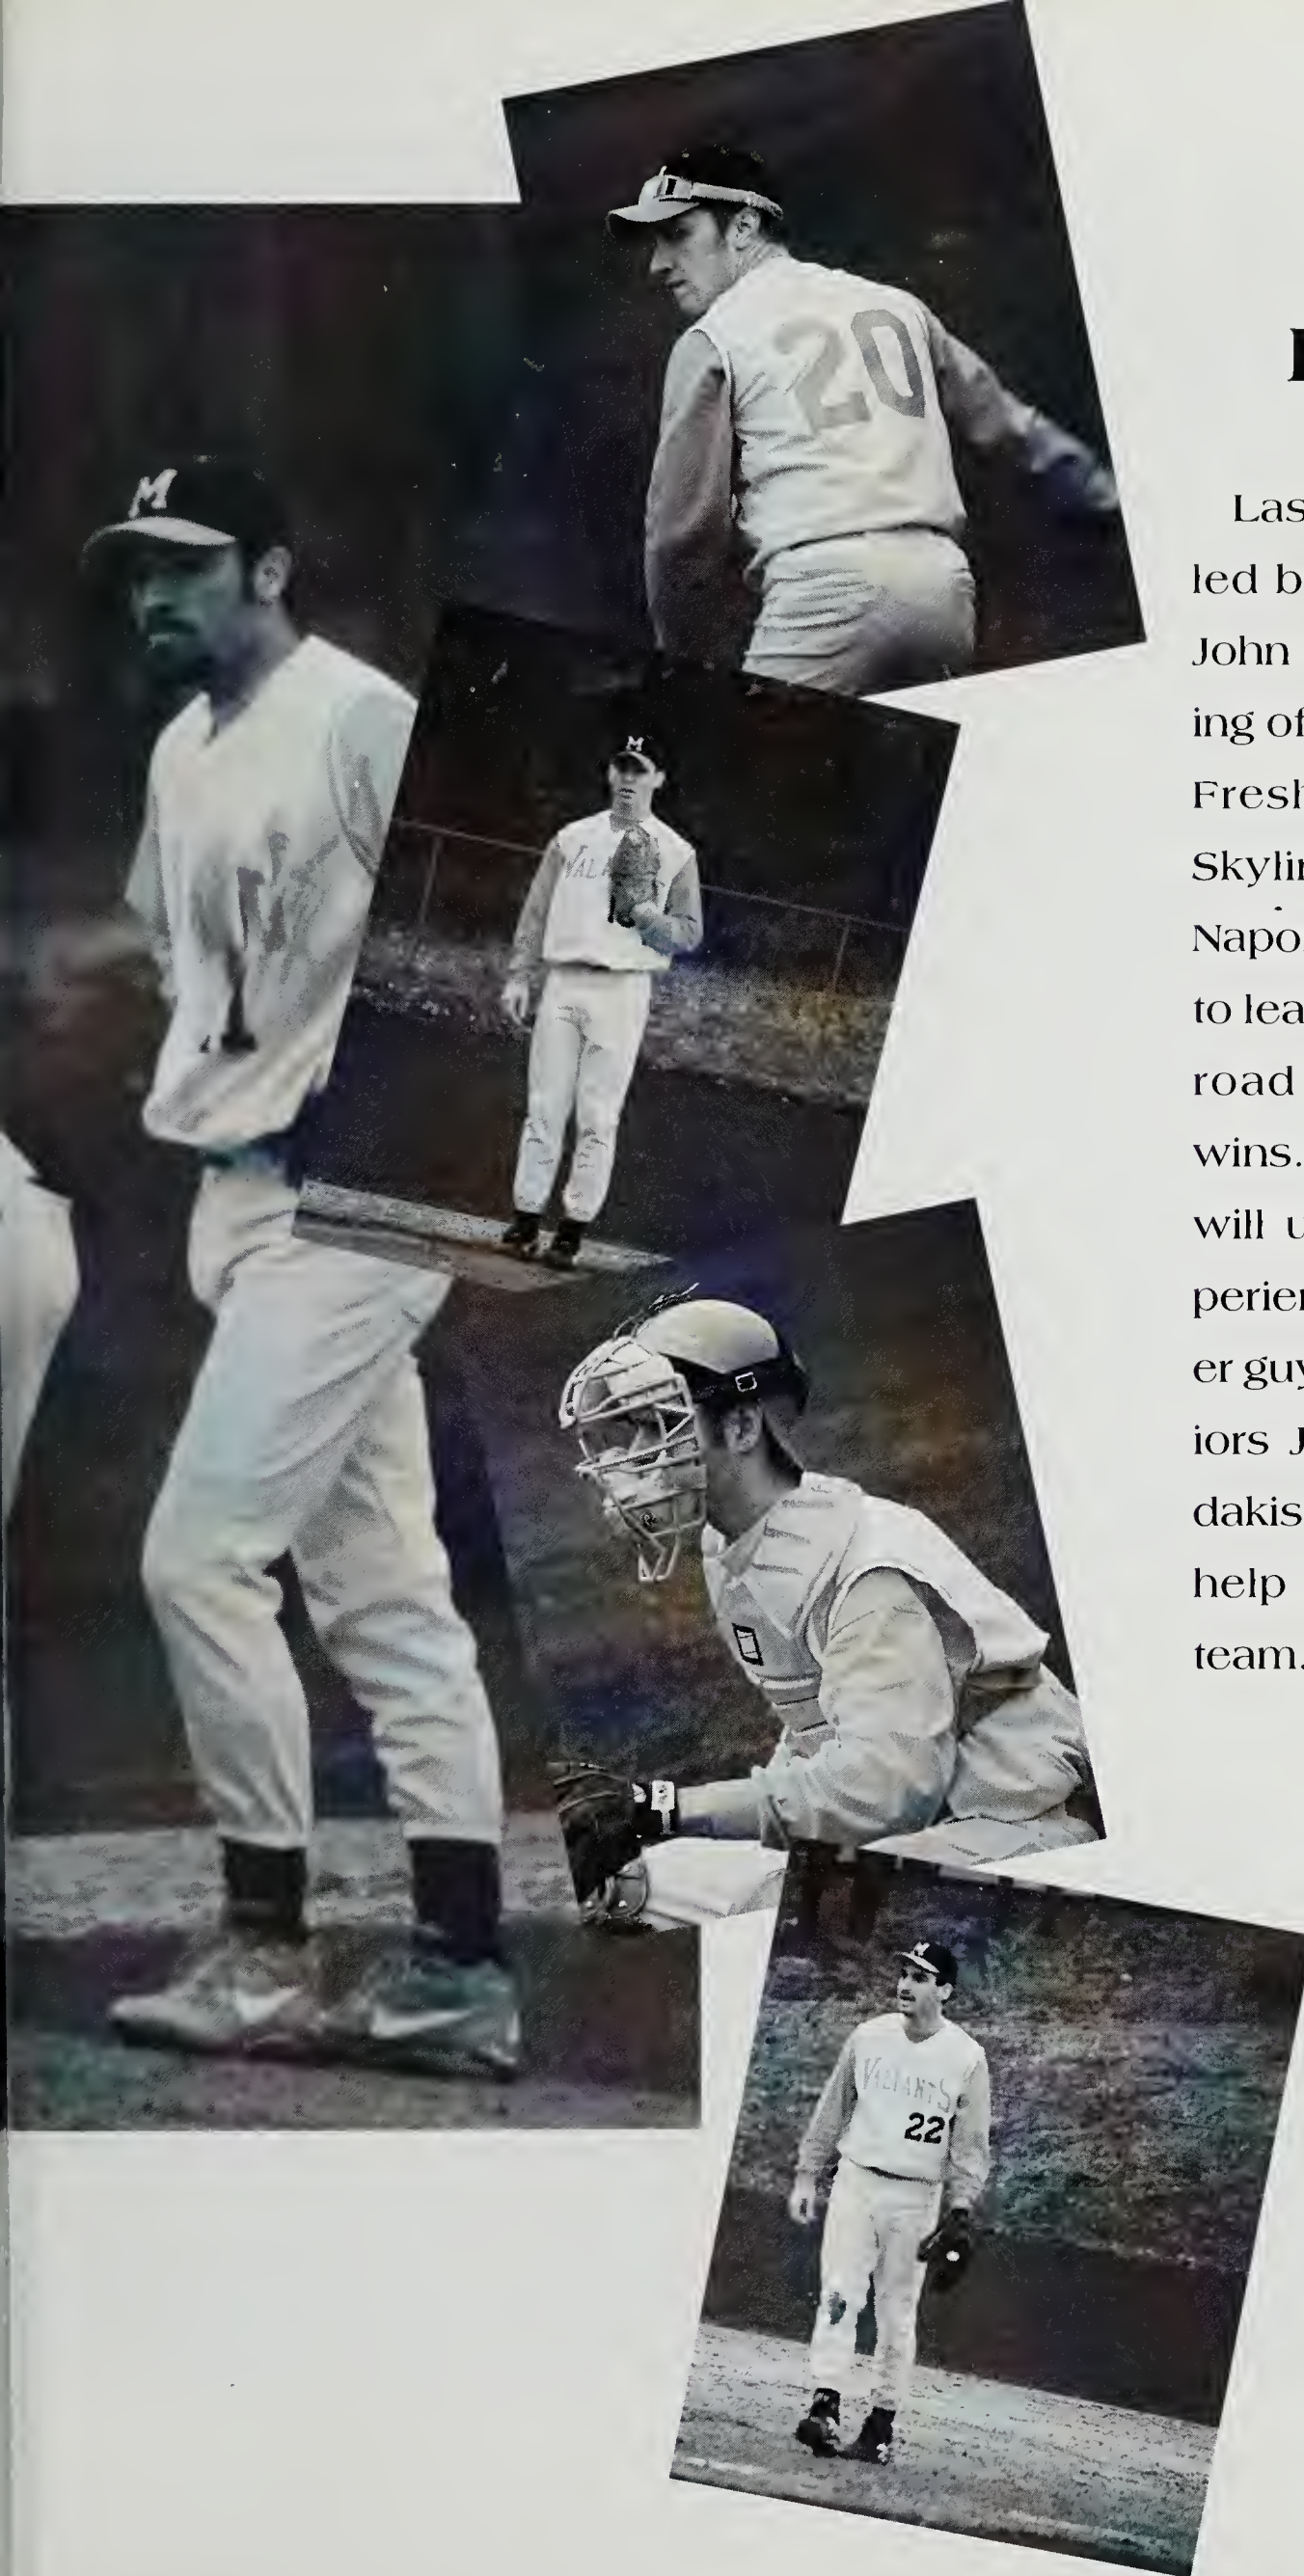

BASEBALL

Last year's baseball team was led by heavy hitter sophomore John Galgano and the slick pitching of sophomore Dan Bounomo. Freshmen Chris Ruggiero and Skyline Conference all-star Nick Napolitano are both back in 1999 to lead this young team down the road to success and multiple wins. Lone senior Scott Quintero will use his enthusiasm and experience to help keep the younger guys focused on their goal. Juniors Joe Conetta and Chris Rasi-dakis will also use their talent to help this young and improving team.

Two roads diverged in a wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that, the passing there
Had worn them really about the same,

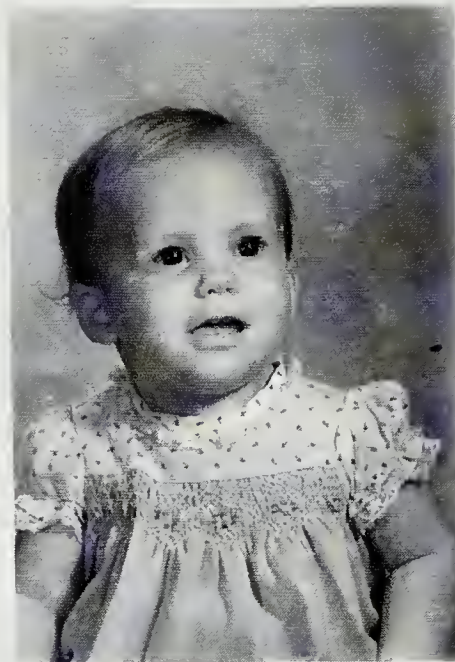

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I-
I took the one less traveled by,
And that has made all the difference.

Shawna-

Lean against a tree and dream your world of dreams. Work hard at what you like to do and try to cover all obstacles. Laugh at your mistakes and praise yourself for learning from them. Pick some flowers and appreciate the beauty of nature. Don't be afraid to show your emotions — laughing and crying make you feel better. Love your friends and family with your entire being for they are the most important part of your life. Feel the calmness on a quiet sunny day and plan what you want to accomplish in life. Find a rainbow and live your world of dreams, but always remember that wherever those dreams may lead you, we are always here to help you, to understand you, to support you and most of all to love you. We are so proud of you and all that you have accomplished.

All our love always--Mom, Aaron, and Krista

"SOME MEN SEE THINGS AS
THEY ARE AND
SAY 'WHY?'

I DREAM THINGS AS THEY
NEVER WERE

AND SAY 'WHY NOT?'"

-GEORGE BERNARD SHAW

When I look at my reflection in the pond,
I see images of
what I was
what I am
and what I will become
and I smile...

For the time I spent here, I spent
growing, changing, and it has helped
me grow from what I am into
what I will become.

It is not an easy change...

Growing is never easy.

But my classes, my professors, and my
friends have helped to make that change easier.

It is a time that I will always
remember...

When you leave here, do not cry, you
will never forget...

Look at your reflection in a mirror and
smile...

for you will see laughs of
what you were
what you are
and what you will become.

-Mona S. Daniels
